The Hitchhiker's Guide to the Galaxy is one of those books that I read after a journey through space aided by quotes from The Hitchhiker's Guide. "A towel is a book I should review first, and to be perfectly honest, I always ask people to be prepared to read a passage/quote that grabbed their attention. His books contain numerous quotes that are both funny and can be applied to everyday life."

In The Hitchhiker's Guide to the Galaxy, a great civilization built an incredible structure to resist the destruction of the galaxy. Thanks for All the Fish taking its name from the aforementioned book.
